Admission of Candidates with Special Needs

Council noted that 11 additional candidates with special needs (4 females and 7 males) had applied for admission to Mzuzu University under various programmes.

The 11 candidates will be considered for admission under affirmative action, subject to medical examinations which will be arranged with the candidates.

Opening Date

The selected candidates should report at the University campus on **Monday, 22nd January, 2024**, for registration, orientation and commencement of classes.

Fees

- **K400,000** for Malawian students
- **US\$ 1,500** for non-Malawian students from SADC Countries
- **US\$ 3,000** for non-Malawian students from Non-SADC Countries

The fees quoted above are under review and are therefore, subject to amendment once the review has been finalised.

Payment of Fees

Mzuzu University's policy on fees is **"No Fees, No Registration"**.

Candidates should therefore pay **at least half** of the required fees per academic year for them to be registered in the first semester. Fees can be **paid in full** or in **two instalments** at the beginning of each of the two semesters in an academic year.

ALL fees should be deposited into the following bank account:

Name of the Bank : NBS Bank
Account Name : Mzuzu University Fee Collection Account
Account No. : 0030749011013
Branch : Mzuzu Branch
Swift Code (for international transfers): NBSTMWMW

Candidates will be required to present bank deposit slips and Transaction Reference Number to the University Cashier on registration in order to get a receipt.

Only candidates who will have paid fees and fulfilled the registration requirements will be given authority to attend classes and access other services.

Board and Lodge

All candidates have been admitted under **off-campus** terms. Candidates are therefore, required to make their own arrangements for accommodation, transport, meals and general upkeep.

Warning Against Tricksters

When names of newly selected candidates are released, some candidates, parents and guardians get swindled by tricksters who ask them to deposit money for fees or accommodation into personal bank accounts or mobile money wallets.

The University therefore cautions all students, parents and guardians that all the fees and charges are collected through its designated official bank accounts. It does not receive fees through Mpamba, Airtel Money Accounts or other mobile money wallets.

Students, parents and guardians should therefore **NOT** entertain anyone asking for payment of fees or any financial obligations through Airtel Money, Mpamba or other mobile money wallets as this is the work of fraudsters.

Passport-size Photographs

All candidates are required to bring two identical passport-size photographs for registration purposes.

Admission Letters

The University is preparing an admission letter to each of the candidates which will be delivered using contact details provided at the application stage. The letter will provide further details regarding the admission.

The Council congratulates all the successful candidates for being selected to study at MZUNI.
